

VERONIKA KOTLAJICH

"I like nice arms and shoulders and an ass you could crack walnuts with."

JESSICA BISHOP For a California girl, surfing is practically a rite of passage. "I don't usually do it naked (as in these photos), but it was a blast!" *Vince Cavataio, 50, 51, 52, 53.*

VICTORIA KNIGHT A whirlwind of activity ("I love to be involved in a million things at once"), Victoria figures she could "out-hustle the Energizer Bunny." She especially enjoys camping, fishing, boating and playing volleyball, soccer and softball, so a guy who's athletic and loves the outdoors would make a good fit. Ambition counts, too, and a good body never hurts. "I like nice arms and shoulders and an ass you could crack walnuts with." Vital stats: 5'5", 112 lbs., 34B-26-36. *Jarmo Pohjaniemi, 54, 55, 56-57.*

DANA MIKHAILOVA Although normally quiet and reserved, she's counting on the determination that inspired her move from her Russian homeland to Canada to help her achieve her goal of making it big in the entertainment industry. She looks for the same sense of motivation in men, and is especially turned on by "confidence, strength, accomplishment—and a big bank account!" *Ivan Otis, 58, 59, 60, 61.*

MIA ACEVEDO Her interest in working for the FBI or Secret Service has waned, but an alternative career path has yet to inspire her. "Actually, I'd like to be retired in 10 years so I can travel the world. I guess in lieu of a real job I'd better start playing the lottery more regularly!" Specific requirements for her perfect match are equally vague, but she knows what she doesn't want: "There's something fishy about a date telling me what a great guy he is. It seems he's trying harder to convince himself than me! A man just needs to be himself, then let me decide if he's got the right stuff." Vital stats: 5'7", 116 lbs., 34C-25-36. *Jarmo Pohjaniemi, 62, 63, 64, 65.*

HAILEY MEYERS As a veteran of the X Show's *Nude Model Pageant* and with her designation as playboy.com's Cyber Girl of the Week, Hailey has established her nudity comfort zone. "It's not really about being naked—it's about feeling sexy. That others can appreciate my sensual side is an extra bonus—and a major turn-on!" Vital stats: 5'7", 125 lbs., 36-25-35. *Bo Hitchcock, 66, 67, 68, 69.*

VERONIKA KOTLAJICH Much to Veronika's regret, her frenetic schedule as a clothes designer, Webmaster and gallery owner doesn't leave much extra time for the pursuit of other interests. "One of these days I have to put everything else on hold so I can travel. I get so caught up in my ambition I often fail to stop to smell the roses." But even after she's collected a whole bouquet of the world's sights and sounds, she knows she'll return to what she does best. "I'll always be creating art. Thinking outside the box is what makes me the happiest." *Andrew Goldman, 70, 71, 72-73.*

KRISTA AYNE This "spontaneous, outgoing, flirty, sexy, fun" 20-year-old has set her sights on a showbiz career, so when she isn't working out or taking acting lessons, she spends most of her time singing, dancing and auditioning while she waits for her big break. Vital stats: 5'5", 110 lbs., 34C-25-36. *Gen Nishino, 74, 75, 76, 77.*

NATASHA HAYES Nudity is "natural, beautiful and very comfortable" for her. "Posing for Playboy isn't for everyone, but for those of us who've fantasized about it, it's incredibly exciting and a dream come true. I'm living the fantasy—and it doesn't get any better than this!" Vital stats: 5'3", 106 lbs., 34D-24-34. *Mizuno, 78-79, 80-81, 82, 83.*

LAUREN PHOENIX Once "just one of the guys—a geeky tomboy," Lauren has grown into a "more ladylike version of just one of the guys." She still loves war movies and lives for football, but "now at least I know how to cook." *Ivan Otis, 84-85, 86-87.*

JESSICA KORHONEN She has a tendency to fall for established, stable, older men, but so far no one has jump-started her heart. How will she know she's in love? "When boring things in life start being funny." Favorite scent: Armani White. Sports turbo: "I love to watch Formula 1 racing and to drive my motorcycle." Wheels: Saab turbo. Dream machine: Lotus. Role model: Angelina Jolie. *Jarmo Pohjaniemi, 88, 89, 90-91.*
